BEFORE

BLEACH* 1-11 AUG 2024

Welcome to the 2024 BLEACH* Festival! We invite you to adventure with us and experience a different side to this city across two big weekends. From North Burleigh headland to the rolling green hills of Tallebudgera Valley; from the ebb and flow of Nerang River to the rooftop of HOTA, the 13th BLEACH* Festival invites audiences to 'listen to their heart' and discover epic and intimate out-of-the-box experiences connected to our place – Australia's Gold Coast. BLEACH* is the Gold Coast's annual contemporary arts festival. The festival is proudly local, celebrating the city's incredible landscape and using it as the backdrop to stage world-class artworks created by some of Australia's finest artists. Visit the festival website for the full program.

NORTH BURLEIGH

The Love Your Local North Burleigh Hub is the beating heart of BLEACH*. Boasting a two-week program of free, family-friendly events, we invite you to stay for the day or drop in throughout the festival where good vibes are guaranteed.

Sip tipples at the Burleigh Brewing BLEACH* Bar and listen to the best GC musicians in town; let goosebumps wash over you with soul-stirring performances at dawn and dusk, or be entertained by out-of-the-box experiences by award-winning artists, our Love Your Local North Burleigh Hub is brimming with cultural adventures ready for the taking.

HOTA

The epicentre of the festival's dance and physical theatre program, the HOTA Hub is an explosion of movement, music and theatre that shouldn't be missed.

There are performances from two of Australia's award-winning ensembles – Lucy Guerin Inc and the internationally acclaimed Gravity & Other Myths ensemble, a 24-hour dance marathon staged on the HOTA lake, immersive installations and rooftop soirees.

This jam-packed program is on for the first weekend only, tickets available on the BLEACH* website.

TALLEBUDGERA

Descend into the depths of Tallebudgera Valley to experience four unique concerts, created by award-winning musicians, set against a backdrop of lush green hills. Presented as one epic experience across 20-acres, park the car and let us look after

you with a custom picnic by the award-winning Palette Restaurant and sounds from the valley. This is slow art at its best. Tickets are strictly limited to this experience.

BROADBEACH

BLEACH* returns for the second year to the Broadbeach Cultural Precinct to deliver a stirring program of music and dance. Kick back on the shoreline of the Nerang River for two concerts presented under the stars – the first a spiritual chorus of 100 voices calling across the waters and the second a sonorous symphony of brass and percussion from Queensland Conservatorium Griffith University Brass Ensemble and Trombone Choir.

Both concerts will be performed atop a floating stage at sunset. There's also an intimate speakeasy bar with soulful live music from Mohini Cox, mesmeric acrobatics from Gravity & Other Myths and a meditative dance performance reminding us of our shared humanity. The BLEACH* at Broadbeach program is free.

ABOUT THE ARTWORK

Like the Gold Coast, which grew out of the Mangroves, the trees that grow around and, in the Mangroves, must keep regenerating new growth for their longevity and sustainability.

The trees grow.
Seeds, from the trees, drop into the water.
They find new ground.
Seeds sprout.
Once again trees grow, keeping the environment healthy and bringing new life.

BLEACH* is the Gold Coast's annual contemporary arts festival presented by Experience Gold Coast (EGC). Operative from September 2023, Experience Gold Coast promotes, advocates, and collaborates with industry, government and the community to strengthen the Gold Coast's position as Australia's premier tourism destination, the home of major events, a preferred place to study and a city that values and celebrates arts and cultural experiences.

EXPERIENCE GOLD COAST.

THANKS TO OUR PARTNERS

BLEACH* is supported by the City of Gold Coast as a foundation partner, the Queensland Government through Arts Queensland, part of the Department of Treaty, Aboriginal and Torres Strait Islander Partnerships, Communities and the Arts, and through Tourism and Events Queensland.

ACCESS AND INCLUSION

BLEACH* strives to make our events as inclusive and accessible as possible whilst acknowledging that we are a place-based festival. Options for D/deaf, disabled and neurodivergent audiences may include: Auslan interpreted, Relaxed or audio-described performances, quiet zones, and more to be announced.

To learn more about specific event details, visit our website at bleachfestival.com.au or contact our team via:

OUR COMMITMENT TO SUSTAINABILITY

BLEACH* is committed to sustainability. We do this by eliminating single-use plastic water bottles in back of house areas, offering four different waste streams (including composting food waste) and using recycled toilet paper in our portaloos.

Wherever possible we work with our artists and suppliers to encourage sustainable practices. We offer water refill stations at all events and encourage patrons to bring their own reusable water bottle.
